August 20	Mallory Park
September 3	Brands Hatch
September 23	Oulton Park
October 14/15	Snetterton

Come and join us.....

The ALFA ROMEO CHAMPIONSHIP ASSOCIATION was established at the end of 2001 to run the BRSCC Alfa Romeo Championship which is entering its 25th year. It remains one of the best supported series on the UK club racing scene, attracting nearly 100 registered drivers in 2005. The Championship visits most of the major UK circuits and the full calendar for 2006 appears on the opposite page.

The Championship will be run in seven classes in 2006, as follows –

- A. Modified over 2000cc
- B. Modified up to 2000cc
- C. Production Modified up to 2500cc plus Alfa Turbo Diesel models.
- D. Production 2001 – 3000cc
- E. Production 1751 – 2000cc
- F. Production up to 1750cc
- G. Standard Production 2 litre 16v up to 2000cc.

Those wishing to take part in the Championship must register with ARCA and must also be racing members of the BRSCC. However, this brochure is primarily aimed at potential NON-RACING MEMBERS.

We know that there are many enthusiasts who wish to follow Alfa Romeo racing activities in the UK and we should like to give them the opportunity to support the BRSCC Alfa Romeo Championship specifically. With this in mind, we have established a non racing member category.

All members will receive the regular Association Newsletter which reports on all Championship races and also looks at other Alfa Romeo racing activities around the world. There is a lively Association website which is updated on a daily basis. This can be found on www.alfaracer.com

The social side is not forgotten and includes a Dinner/Dance and Prize Giving during the winter. We also encourage participation in Track Days with Easytrack who offer ARCA members a discount on the normal entry fee.

We hope that this brochure will have raised your interest in joining as a non racing member of the Association at subscription of £25 a year. Membership is on an anniversary basis. In other words if you join on July 1 you will need to re-join on July 1 the following year.

Benefits of membership are:

- 10 Newsletters a year.
- Track Day discounts with Easytrack
- 2 free tickets to a Championship round of your choice.
- Membership card and lanyard to show Competitors you are an ARCA supporter.

We look forward to meeting you in the year ahead.

Michael Lindsay
(Championship Co-ordinator)
